of 28 June 2024

amending Decision 2014/145/CFSP concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine

THE COUNCIL OF THE EUROPEAN UNION,

Whereas:

- (1) On 17 March 2014, the Council adopted Decision 2014/145/CFSP⁽¹⁾.
- (2) In its conclusions of 21 and 22 March 2024, the European Council reaffirmed the Union's steadfast support for Ukraine's independence, sovereignty and territorial integrity within its internationally recognised borders and recognised Ukraine's inherent right of self-defence against the Russian aggression. The European Council also called for further steps to weaken Russia's ability to continue waging its war of aggression, including by strengthening the sanctions.
- (3) In view of the gravity of the situation, it is appropriate to adopt further restrictive measures.
- (4) In particular, the Council considers that two persons and four entities responsible for actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine should be added to the list of persons, entities and bodies subject to restrictive measures set out in the Annex to Decision 2014/145/CFSP.
- (5) Decision 2014/145/CFSP should therefore be amended accordingly,

HAS ADOPTED THIS DECISION:

PJSC TransContainer revenues increased throughout 2023 and it recorded an increase in transit traffic in the second half of 2023, which was primarily due to the flow of Belarusian cargo through the ports of the north-west of Russia. PJSC TransContainer has also agreed to offer its services at the new terminal of the Alabuga Special Economic Zone (SEZ). The Alabuga SEZ has been cooperating with the Ministry of Defence and Logistics of the Iranian Armed Forces to locate the production site of Shahed loitering munitions (the name of the Russian version is "Geran").</p> <p>In addition, PJSC TransContainer participates in illegal weapon trade schemes with the Democratic People's Republic of Korea (DPRK) in support of the Russian Government. Containers from PJSC TransContainer were also spotted at Tikhoretsk Ammo Depot, which provides supplies of various types of ammunition to the Russian armed forces.
